- Water sports (water tubes, sea scooter, sub wings...)
- Sailing Boat
- Wind surfing

## Places to visit

Vourvourou is a region that offers sea breeze, beautiful beaches, and a mountain covered with thick forests. The soul is calmed with the melodic whisper of the leaves. Besides the blue waters and the fresh fish at the taverns, one of the possibilities offered to the visitor is the boat ride to Diaporos, the largest of the nine islands of Vourvourou, which is located across the bay.

The "Ormos Panagias" bay is basically a fishing area. Just 3 miles away from Diaporos, this village is worth a visit for fresh fish that you can enjoy at the beach, with the wave of the sea right at your feet. Ammouliani, a small, majestic island, right across Mount Athos is only a few miles away. Around a complex of smaller islands, Drenia, is an island equally ideal for swimming and diving.

Ouranoupoli lies on the top of Mount Athos peninsula and is considered to be the Gate to Mount Athos. Ouranoupoli is a divine landscape, combining mountainous and sea beauties. Early risers will be rewarded with a truly magical vision as they witness the spectacular sunrise over Athos Peak. An Orthodox spiritual centre since 1054, Mount Athos has enjoyed an autonomous statute since Byzantine times. The 'Holy Mountain', where access is forbidden to women and children, is also a recognized artistic site.

## Location and Distances

There are frequent daily flights between Thessaloniki and Athens, serving all major European cities including Moscow, Paris, Amsterdam, London, Brussels etc.

The residence is located in Vourvourou, in Sithonia, the second of the three peninsulas of Halkidiki jutting into the north Aegean Sea, in Greece. It is an hour's drive from the Macedonia International Airport of Thessaloniki (SKG).

## Easy Access and Transportation

You arrive at the residence through the road that serves the peninsula of Halkidiki. Just before you enter the main region of Vourvourou, you will find your secret paradise.

## Additional Features
