ELEGANCE, LUXURY & UNPARALLELED LOCATION
The Halkidiki Peninsula in the Makedonia region is located between 2 gulfs: Thermaikos and Strymonikos. It consists of three small peninsulas: Kassandra in the west, Sithonia in the middle and Mount Athos in the east. These three "branches" give Halkidiki a unique geographical form and a coastal length of about 550km.

It is a blessed place, rich in its rare natural assets, with scattered wetlands and an extraordinary fauna and flora, where the blue color of the sea is wonderfully combined with the green color of the mainland. Here, the beautiful change of scenery, from rocks to coves, beaches to hills, sand to pine trees, gulfs to mountains, impresses visitors.

The famous Mount Athos

“Legend has it that during the battle between the Gods and the giant Athos, a Thracian giant, threw a massive rock at Poseidon, but it slipped through his fingers and landed in the Aegean sea forming the Athos peninsula”

Early risers will be rewarded with a truly magical moment and a feast for their eyes as they witness the spectacular sunrise over the Athos Mountain Peak. An Orthodox spiritual center since 1054, Mount Athos has enjoyed an autonomous statute since Byzantine times. The ‘Holy Mountain’, where access is forbidden to women and children, also constitutes a recognized artistic site.

**Ouranoupoli, The gate of the Mount Athos:** Ouranoupoli is a divine landscape, combining mountainous and sea beauties. This village resembles a serene painting, which welcomes the pilgrims against a setting of peaceful yet magnificent beauty and prepares them for their spiritual journey to Mount Athos.
