TREASURE COVE

ELEGANCE, LUXURY & UNPARALLED LOCATION

DIAPOROS ISLAND SITHONIA -HALKIDIKI – GREECE

The Halkidiki Peninsula in the Makedonia region is located between 2 gulfs: Thermaikos and Strymonikos. It consists of three small peninsulas: Kassandra in the west, Sithonia in the middle and Mount Athos in the east. These three "branches" give Halkidiki a unique geographical form and a coastal length of about 550km.

It is a blessed place, rich in its rare natural assets, with scattered wetlands and an extraordinary fauna and flora, where the blue color of the sea is wonderfully combined with the green color of the mainland. Here, the beautiful change of scenery, from rocks to coves, beaches to hills, sand to pine trees, gulfs to mountains, impresses visitors.
